Assistant Director, CCD

Chief, Liaison Division, CCD

Release of NIE 11-5-54 to the Federal Civil Defense Administration

1. The Federal Civil Defense Administration has requested that it receive one copy of NIE 11-5-54, Soviet Capabilities and Main Lines of Policy through Mid-1959 (TOP SECRET).

2. ONE has no objection to sending this publication nor has the Security Office on security grounds. The Liaison Division believes that this subject lies within the province of the FCDA and recommends this additional distribution, strictly on a need-to-know basis.
